Fall Into Fun

September is here and that means fall will soon be upon us. This is my favorite time of year—the cool weather, the beautiful foliage as the tree's leaves turn color. Take advantage of the cooler weather and let's get back outside walking, hiking, and biking. Wytheville has all these opportunities at Crystal Springs Recreational Area, right here in our back yard. This area offers trails of various lengths and difficulty with beautiful scenery of farmland and forest.

Along the way, a crystal-clear mountain stream flows out of the Town's old reservoir, for which the area was named. Also, there is availability to TRACK Trail enhancements,

such as self-guided brochures, interpretive signage, and discovery stations. Visitors of all ages and skill levels are sure to enjoy a visit to Crystal Springs. If you are into mountain biking, hiking, birding, picnicking, camping, or leaf watching, it's just four miles outside of the Town limits. Jump in the car and head to Crystal Springs by taking US 21 South

for three miles, then turn left on Pump Hollow Road (684). Follow Pump Hollow Road one mile to the parking area. (GPS 36.900-81.092) If you prefer your sightseeing by motor vehicle, then get on your motorcycle or in your car and explore the beautiful mountains and winding roads of Southwest Virginia on the "Claw of the Dragon." It

would be a challenge for motor vehicle riders to find a more beautiful driving trail than the scenic back roads of Southwest Virginia. Looping through the Blue Ridge Mountain range, with our charming town of Wytheville as the center or hub, the trail features loops totaling over 350 miles. Along the way, riders can find a variety of authentic attractions and breathtaking scenery. For a Claw of the Dragon brochure with detailed maps call 877-347-8307, 276-223-3355 or use the QR code to download yours today!

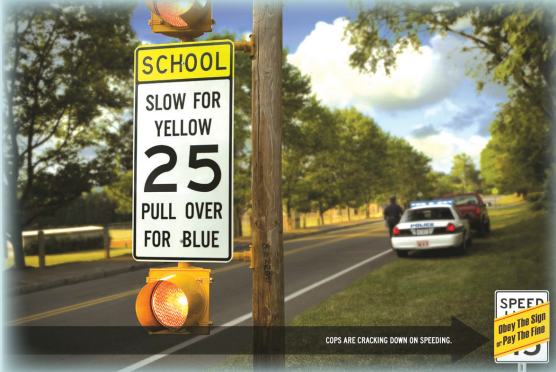

Important Notice

November 8, 2022 is the next location Election Day. You will find information in your water bill from Registrar Lennon Counts regarding early voting and absentee voting. PLEASE take time to read it, Mr. Counts will also be sending out a notice in October explaining the change in voting places. It is extremely important that you find out where your new voting venue will be located. There will be NO voting at the old 4th Street Rec Center. You can call the Registrar's office at 276-223-6038 for more information.

Important Information from Your Fire & Rescue Department

"Candle with Care" safety. The burning of candles has caused house fires. Three out of five candle fires start when easily flammable material such as paper magazines and clothing are too close to a candle. A lit candle is an open flame, which means it can easily ignite anything that can burn. Blow out all candles when leaving a room or going to bed. Avoid using candles for several hours!! Keep candles at least one foot from anything that can burn. Use candle holders that are sturdy, and not easily turned over. NEVER use a candle when there is medical oxygen in the room.

Important Information from Your Police Department

The Wytheville Police Department has installed four digital radar signs in various locations in the town. The purpose of these digital signs is to remind drivers of the posted speed limit and to show them their current speed. The signs also provide valuable traffic information to the police department. The data is analyzed and will be used to determine problem areas, times, and days. Their new traffic safety campaign is called "SLOW DOWN and Enjoy Our Town." School is in session, officers will be diligently working school zones and issuing traffic tickets to those who are speeding in school zones. Also, please watch out for school buses that are stopped and loading or unloading children. Failure to stop for a school bus displaying flashing red lights will also result in a traffic ticket.

Upcoming Events

- Remember, the first annual **Oktoberfest** to be held at the **Willowbrook Homestead Museum** on **Saturday, October 1, 2022**, from 11:00 a.m. to 4:00 p.m. The Sauerkraut Band will be performing from 12:00 noon to 3:00 p.m. Food and beer will be available for purchase.
