

TOWN OF WYTHEVILLE DEPARTMENT OF THE MONTH – July 2024

Department of Parks & Recreation

The Town of Wytheville Parks & Recreation Department oversees indoor and outdoor recreational activities including the operation of the Community & Wellness Center, team sports throughout the year, and multiple Town-owned parks.

Through creative programming, Parks & Recreation engages from the youngest to the oldest citizens with activities that challenge the mind, body, and spirit. This department provides resources and services for the purposes of leisure, entertainment, and recreation, thus encouraging active living throughout the community.

“Recreation impacts the health and wellness of our town as well as the overall quality of life,” said Wytheville Town Manager Brian Freeman. “Our Parks & Recreation Department offers a variety of activities, programming, and facilities for citizens of all ages.”
